

HOBART CITY COUNCIL

HOBART RIVULET STRATEGIC MASTER PLAN

STAGE 1 - COMMUNITY CONSULTATION

The Hobart City Council has engaged consultants, Inspiring Place, to prepare a master plan for the Hobart Rivulet to guide the future management and development of parkland and open space along the rivulet extending from the River Derwent through to Wellington Park.

The study area includes the strip of rivulet land that the Council recently purchased from the Christian City Church (C3) at the bottom of Anglesea Street.

Stage 1 of community consultation is underway with the Council seeking community opinion that will contribute to the development of the master plan.

How you can have you say.....

Meet the consultants at the Hobart Rivulet Community Day

2.00-4.00pm , Saturday, 6 November 2010

at the C3 land (formerly Boags Warehouse) over the Hobart Rivulet bridge at the bottom of Anglesea Street, South Hobart

Parking will be available on site and refreshments provided.

Or go to hobartcity.com.au to complete the on-line survey.
