

Song of the Lanterns

Trowenna

My heart shaped island

Moinee

My shining star

Rina Dina

Rain comes falling

Down the rivulet

On the other side

Punywin and Venna

they will be my guide

Tara Monadro

The mountain's story

Wind and water

move the land aside

Songs they place you

In the shining stories

oonah's magic

on the river's tide

Sing the darkness

From your fire

Keep it burning

Never tire

Bring the lanterns

Light and story

down the rivulet

on an ancient glide

Punywin and Venna

They will be your guide

All your children will be at your side.
